Celebrate your

Naming Ceremony

We offer naming ceremony's to be held in our beautiful Castle Chapel

A naming ceremony is a way of celebrating and welcoming a new addition to your family. It focuses on the child – or children – being named and the friends and family that surround them.

People choose to have a naming ceremony because they want to bring family and friends together to celebrate one of life's key milestones. They are ideal for families who want to mark the occasion in a way that isn't religious.

A naming ceremony also provides the opportunity for those gathered to reflect on the roles that key people will play in the life of the child.

Each naming ceremony is unique. They might include music, singing, poems, readings, parental promises to their child, the appointment of 'guideparents', and perhaps a symbolic action such as planting a tree, signing a certificate, or writing in a wish book.
